- Contact the prison chaplain of the facility first to determine need and support.
- To attain a card and access to a facility, you cannot be on parole/probation or have any pending actions. You cannot have a family member or friend incarcerated at the facility.
- Be mindful of your Social Media presence. Backgrounds are performed, and social media is part of the background.
- Cards are good for one year. You must renew. Reminder emails will be sent to the cardholder 3 months out of expiration date. You can renew online as long as you renew in a timely manner. If you let the card expire, you will have to attend the class again.
